

Suffolk Chamber  
**energywise**

## Get paid to go green...

**Go green and see your business benefit without risk!**

Making your business more sustainable brings many benefits including, cost reduction, increased efficiency and great PR opportunities. However, going green will often need an initial investment cost which may be a strain on many businesses in this current climate. This session will look at the increasing amount of funding available, how it can be accessed and how business can utilise these benefits.

**Want to save on fuel bills, lower your carbon admissions and fossil fuel consumption...**

Then join us for this essential seminar where you will find out more how you can make your business more sustainable by taking advantage of the local funding available to your business.

**Business Breakfast  
25 February at  
Seckford Hall, IP13 6NU**
